In order to participate in any of the features of GreensideEstates.com you must first register on the site.

Registration is very easy and it's free!

After registering you will receive a confirmation email that contains a link you must click to 'activate' your registration. After clicking the activation link, you will be directed to the site where you can login and start enjoying all the features.

On your first login, you will notice a new 'User Menu' will appear in the left side column. This is where you can view and edit your own profile, add content to the site, upload pictures to the galleries, and much, much more.

You might want to check out your Profile page. You can edit some of the information in your Profile as well as upload your own 'Avatar' that people will see on the Members List as well as any Connections you have made.

More details coming soon...
